E D I T O R I A L

Our aim this month is to put a little bit of a spring back in your step, plus hopefully your trousers if any of the ladies overleaf have anything to do with it. For who could resist the charms of Anastasia Black, Sydney Cole, Honour May, and Riley Ried, with surf babe Jenny and wet look Giselle Palmer adding a touch of sunshine this month. You can see just what these gorgeous girls get up to when they're not lying on a beach for our sakes or there own, with a well-earned cocktail perfectly balanced on a sun lounger armrest. Apart from cover girl Ashley Downs that is, who is saving all her beach time up for an epic Ibiza getaway this summer. We're working on an excuse to tag along, don't you worry!

Dear Club,

My girlfriend Sam is a sexy little blonde who knows just how to get her bloke in a lather. She's not a nympho or anything like that, but she loves sex and knows just how to trip my trigger. Sam is petite with a good pair of tits and a lovely round, firm arse. She has long shapely legs, but what really drives me wild about her is her beautiful feet.

I freely confess to being a 'foot man', and love to play with the soft skin and suck the toes of a pretty little female foot.

Of course, Sam knows this and rarely misses an opportunity to tease me by putting on a little performance to get me aroused. Foot sex has now become my very favourite thing, and as Sam really gets off on it too, it's become a regular part of our love life. And although it'd always guaranteed to get me off, the first time we tried it will always be one of my sexiest memories.

I arrived home from a late meeting one evening to find Sam completely stripped off and sitting on some bath towels on the bed. Her body was still slightly moist from the bath, and she looked delightful as she patted the last of the damp spots with a towel.

Seeing me staring at her, she smiled naughtily at me and began pouring some moisturiser into her palm and massaging the soft scented cream into her toes and feet, and then up her long slender legs. Then, spreading her thighs, she worked some of the cream into her mound and between her legs.

Watching her, I became almost crazed with lust, and I quickly stripped. Taking her in my

arms, I kissed her hungrily. Her arms snaked around my shoulders as she lifted one knee high and pressed it against my hard-on. My cock got even stiffer as, leaning right back, one hand gripping the reverse of my neck, she brought her knee up higher until her long toes were toying with my shaft.

It felt amazing and adrenaline surged

“...the cum sliding downwards and oozing between her dainty toes.”

through my body as I felt her toes curl around my erection. With my heart beating rapidly, I laid her gently back and, fighting to keep control of myself, I began running my hands along the soft curves of her body.

I leaned over her, placing soft kisses on her nipples and clit as I moved downwards until I reached her feet. Then, repositioning myself at the end of the bed, my hands took one delicate, soft-skinned foot, and I raised it to my lips. Kissing the sole of her foot gently, I watched in delight while she squirmed on her back.

She smiled up at me, her eyes drinking it all in as my tongue explored between her dainty toes. Sucking each toe tip gently, keep my touch gentle and sensual so as not to tickle her. Sam is a natural-born cock-teaser and, seeing how turned on I'd become, got her well and

truly juiced while I worshipped her feet.

She moaned softly as she watched me licking and caressing her foot. I then turned my attention to the other foot and repeated the process, switching between nibbling and licking to increase her pleasure. From my viewpoint at the bottom of the bed, I looked appreciatively up her legs to her beautifully shaved

pussy. The delicate lips of her excited little slit started to contract and her swollen pussy lips glistened with her juices as she studied my changing expressions while I sucked on her toes.

My erection was growing and standing proud now, so I took my engorged cock in my fist and slowly began to stroke it. I hadn't been so turned on in a long time and my cock seemed larger than usual. As I ran my inflated prick along the soles of her feet, Sam began to finger her pussy.

Giggling, she placed both of her feet against my groin. I was so close to cumming, but I wanted the full satisfaction so I removed her feet and climbed onto the bed. Sitting facing her, I returned her feet to my groin and asked her to wank me off with them.

“...she spread her pussy lips and rubbed hard at her clit, dipping two fingers...”

covered in my spunk, two fingers deep in her pussy and her thumb rubbing frantically on her clit. She began frigging herself harder, moaning louder, as her pussy lips started twitching and she suddenly screamed out with her own orgasm. She too collapsed, but then she was straight back up again, as she took her feet in her hands and gently started rubbing the creamy spunk into her skin, gathering some up in her hands, and gleefully spooning it into her mouth. It was easily the best foot fuck I'm ever likely to have.

Pete, Lancs.

My balls ached and I knew I was only seconds from shooting a massive load. Reaching down and taking both of her feet in one hand I tugged myself off over them with abandon, spraying my spunk over the bridges of her feet, the cum sliding downwards and oozing between her dainty toes.

I collapsed back, panting and gasping, in total awe of the sight of Sam, her feet white and sticky, and

Gripping my cock with her toes, she started to rub my shaft slowly and methodically with her sexy feet. The sensations, coupled with the spectacle, was so intense I moaned and gasped loudly as my erection throbbed so hard it threatened to break free from her grip.

Sam maintained control of my dick by clamping her feet firmly against both sides of it, sandwiching the soft skin of my cock between the slightly rough soles of her pretty feet, while continuing to pump up and down my shaft. As she foot-fucked me, she spread her pussy lips and rubbed hard at her clit, dipping two fingers inside her tight little cunt.

Some of the ladies this month certainly know how to dress to impress, and now I have to impress upon them the effect they have on the poor male population. When I explain this to Sydney, she smiles and says, "I just love to dress up and evoke desire though, why do you think I got into modelling?"

Travel, fun and meeting new people?

"Well, there is all that too, but I get such a kick out of fulfilling men's fantasies as long as they're not dark and creepy that is, I do sometimes have to draw the line."

That puts us lot straight out of the game then.

TOTAL RECALL

Dear Total Recall, I've always been obsessed with army stuff, from tanks to aeroplanes. From a young age, I enjoyed going to shows and museums to see our military history displayed in all its glory. So you can probably imagine

what a female in uniform would do to me! And it is with great pleasure that I remember a particular issue of Club, 35.06, to be precise, where my jeans nearly popped open with the straining of my cock after setting eyes on Silvia, in her little camo shorts, tank top and dog

tags (more American, but it still produced a fantastic effect!). I wanked my cock raw for weeks after and Silvia remains one of my top turn-ons till this very day. It would be great to see her again if possible.
James, Inverness.

Riley Reid is a dark horse in more ways than one, as I'm sure you can tell...

"Oh, I used to be a total shaven haven, but I just had so many guys asking me to grow a bit of muff that in the end, I thought well, why the hell not? And since then I've never looked back, you guys seem to be crazy for it!"

There is a lot to be said for a bit of thatch on top, especially when like Riley here, it's so clean cut underneath.

"Yea, you've got to keep it smooth underneath, then you get the contrast."

Riley certainly knows how to get us all worked up, though she doesn't have to try too hard it has too be said!

OFF ♣ YOUR HEDONIST

Want some fillums? Then how about these!?

Endeavour Series 6

DVD £16.99

On first hearing about Endeavour, I wasn't sure if it would quite cut the mustard, against Morse and spin-off Lewis, but I'm so glad I was completely off the mark. Now on its sixth series, Endeavour is still climbing, after the dark ending to series five where PC George Fancy is shot dead, and Cowley police station closed, it left a significant question mark over what was next for the young Morse. But here he is back in uniform, complete with a hefty tash, and an Austin 1100, while Fred Thursday's (Roger Allam) been demoted and stunted off Castle Gate. But it's not all down in the dumps screen time, as screenwriter Russell Lewis easily parks a smile on our faces with a little skit involving Chief Super Bright (Anton Lesser), who is now the star of the commercial promoting the life-saving benefits of the Pelican pedestrian crossing. But larking aside the main plot sees missing girl Ann Kirby the focus of the police investigators and with a series of red-herrings it does take some figuring out. Thursday has his nose to the grindstone under a new thuggish boss, DCI Ronnie Box (Simon Harrison), where Allam's facial expressions are spectacular, as he takes belittling advice from a superior officer while holding his tongue; we all know DCI Box couldn't fill an inch of Thursday's shoes. An enjoyable series from start to finish.

Fantastic Beasts:

The Crimes of Grindelwald

DVD £9.99, Blu-ray £14.99

Wands at the ready folks! No, no, no, not those wands chaps, and I don't care how much praise your missus gives you, I don't believe it's magic! So to the latest spin-off from the Harry Potter series; as I was saying, set before any Weasley's, Granger's or Potter's are on the scene, we follow the character Newt Scamander (Eddie Redmayne), who by all accounts appears to be some sort of magical zoologist, in the second part of the report five-film series, as he attempts to stop dark wizard Gellert Grindelwald (Johnny Depp) from a pure-blood take over. It's an impressive film with revelations, twists and big moments, but it like the first film it feels like the stage is still being set for something more substantial further down the line in the series.

Babylon Berlin

DVD £34.99

Once you start watching you won't be able to stop, this series should come with a warning label. A German-made Euro detective drama set in the Weimar Republic that is estimated to have cost €40 million so far is incredible, and its characters and storylines rich with it. This inter-war period was a groundbreaking scene of social backlash, poverty, prostitution and extremes in all areas of life, with flappers and jazz proving an intoxicating backdrop; the series jumps from one thrilling moment to the next as the main hero Gereon Rath (Volker Bruch) strikes out amongst the mayhem. There is nothing left of Weimar Berlin, so this is a chance to immerse yourself, so set aside 16 hours your life and binge watch the latest series, it's worth it.

Just when you thought there was nothing left for LEGO to make Star Wars related they pounced on one of the more adorable creatures of the The Last Jedi, Progs. These overinflated flying hamsters as they appear to me, nestle in the rocks of Luke Skywalker's secluded island and have rather inquisitive nature. The latest building toy shows intricate feather details, true to screen colours, and it can open its mouth and flap its wings when you press its tail. Made from 811 pieces this Prog stands 7" tall, and is pushed as part of a LEGO build Star Wars collection for fans of the films. It may say ages 9-14 on the box, but even the advert shows a fully grown bearded man, scratching his noggin and building the little chap; says it all really....

Wena Watch

www.sony.com

So, Wena stands for 'Wear Electronics Naturally', which is the core idea surrounding the next generation of technology that will be hitting the market in the next few years. But what does this mean regarding watches? Well, instead of the tech revolving around the face, it's all in the strap. Which in turn means, you can still have your traditional watch, but live a smart lifestyle. So, you choose a band from either the Pro or Active range and then a watch head, now the band is compatible with 18, 20 and 22 mm watch heads, which gives you an extensive choice range. The technology itself is slim and water-resistant and allows you to do all the standard fitness tracking, phone calls and payments.

BenQ GV1

www.benq.eu

As humans, we've always been suckers for creating hybrids since the dawn of horticulture, and it seems our Frankenstein fingerprints are all over some of the new tech on the market. We just can't seem to help ourselves, and the result is the BenQ GV1 Bluetooth speaker with an integrated 100" projector, and to be frank it is a great piece of kit, if you're looking for something to blow up the latest cup match, entertain the kids for the evening, or cuddle up for a cosy one with the missus in any room. But, there are currently some downsides though, the GV1 can't stream iTunes or Netflix on iOS devices, which is somewhat limiting if two of the most prominent players are out, but BenQ has assured the tech world that it is working to fix these problems, which would then help to justify the price tag, as it seems to be a little lacking in flexibility.

Anastasia
PHOTOS: TWISTYS

That's a rump we'd all like to rock, round, plump and deliciously soft skinned, a complete peach you might say, but Miss Black is far from convinced of its appeal.

"People are always saying my fanny is my

best asset, but I can't see it myself."

If you hadn't guessed Anastasia is American and so to translate 'fanny' means ass in the land of stars and stripes. Although if we put it into context over here, it's a good opening (no pun intended)

to talk about those protruding lips pouting out from between Anastasia's well-sculpted thighs, and raise the question, what's your fancy? Innies or outies? Write in and let us know if you have a preference and if so, why that particular type?

SCRUFF JUSTICE!

Please be upstanding!

My Girlfriend's Mom

Wicked

Starring: Rachael Cavalli, Lucas Frost, T. Stone, Julia Ann, Reagan Foxx, Seth Gamble, Mercedes Carrera, Isiah Maxwell, Connor Kennedy, and India Summer.

Synopsis: "They're older, wiser and hornier! Five sexy cougars take matters into their own hands and seduce their daughter's boyfriends. Every young man's fantasy cums true in this MILF extravaganza- My Girlfriend's Mom." *Courtesy of Wicked*

Verdict: MILF's gone wild would be an accurate description of this latest title from Wicked, as these busty ladies set about a plan to seduce their own daughter's boyfriends. I know there are some amongst us that have probably dreamed of such

a situation for years, so here is an opportunity to explore your fantasy with the ultimate MILF India Summer. But first in the frame is Rachael Cavalli and Lucas Frost, who is woken by the horny madam, taking his stiff rod deep into her throat for a facial fuck before getting on top of the young man rodeo style. Scene three follows a time-honoured tradition with Reagan Foxx entertaining Seth Gamble who can't believe his luck as mama Foxx shows him the ropes. Scene five is the clincher in my opinion as India Summer, and Connor Kennedy get down to business with a massage that pricks his interest. Full marks for this one.

Sensual Maids

Private

Starring: Ani Blackfox, Anya Krey, Aruna Ahgora, Taylor Sands and Kandy Kors.

Synopsis: "Beautiful, attentive, helpful and so much more! Get ready to meet Private's team

of Sensual Maids, DP loving Taylor sands, anal addict Aruna Aghora and the busty Kandy Kors! We don't stop there, this hot trio are joined by the gorgeous Ani Blackfox and Anya Krey who return to show the real meaning of a cum back! For girls who are passionate about cleaning these girls sure are dirty and they know how to make a mess, from interracial threeways to DP sessions these nymphos spill body fluids everywhere they can! Tune in and watch a pleasant spring clean turn hardcore!"

Courtesy of Private.

Verdict:

We've all had a few thoughts or fantasies of the humble maid in our time, and it looks like Private have delved into our thoughts and wrapped them up in filth to a pleasing effect. One of our favourites has to be Anya Krey who quickly loses her blue maids outfit and gets a ramming

from Alberto Blanco and Potro Bilbao's fat meat rods. Krey gets stretched to the full with her arse and pussy coping it in a cracking DP session, which ends with a double facial.

But can anyone get over the standard of Aruna Ahgora, who's puckered little bumhole takes a ravaging much to her delight. If only real maids where this dirty!

Having just met Ashley, the latest débutée for Club is warm, bubbly and more than up for a giggle today and generally, as she laces herself into a red cup-less corset and jokingly says, “I thought corsets were meant to hold everything in, but here are my tits swinging free as anything!”

They are indeed Ashley, much to our pleasure which is now extremely evident, as Ashley's FF's rest in our line of vision.

Southern belle, Giselle Palmer is heating up this swimming pool with her all natural body and luscious red lips. But one thing the 24-year-old isn't keen on is being in the sea.

"I know it sounds crazy right, here I am splashing about in a pool, but I won't swim in the ocean. It's just so vast and uncontrolled, and sometimes those currents can be stronger than they look, and before you know it you're being dragged off."

Don't worry Giselle we'd dive in to save you, even if you weren't in trouble, though you seem like the type who could hold her own.

LEZZIE LIZZY

Dan and I have been really good mates for years and as I'm a girl I guess he feels he can trust me when he tells me the rudest things about his sex life. He tells me everything about his girlfriends; how they give blow-jobs, how tight their pussies are, whether they like it from behind. He doesn't realise this, but his sexy stories regularly fuel my erotic imagination and I've spent hours masturbating over some of them!

Dan's been seeing this lovely girl, Liz, for a while now. He's already told me about all of her kinky habits – including her full-on fetish for feet and shoes. And he's also mentioned that she's a bit bi-curious as well. Well so am I – and the thought of satisfying that craving with Liz was playing on my pussy right up until the other day, when Dan happened to be away...

Liz and I both had some time off work, so we booked ourselves into a health centre for the day. We did all the girly essentials, like facials and massages, then we spent ages swimming in the pool. When Liz finally emerged from the water I couldn't stop looking at her big, braless tits, perfect under the tight, wet swimsuit she was barely wearing. And she looked even sexier when we played indoor tennis, in white pumps, short pleated tennis skirt and flimsy red t-shirt. When we both bent down for the ball at one point I snuck a peak right down her vast cleavage. I felt bad for looking, but the dampening sluthole between my legs was

controlling my actions. After losing the game through lack of concentration (spending too long staring at her gorgeous tits bouncing up and down as she ran around the court!) we finally went back to her flat to clean up.

Exhausted as I was, Liz told me to take a nap on her bed as she showered. I got in between her sheets and imagined her shiny, soap-covered body in the shower; juices began to seep through the material of my panties as I touched myself. Silently slipping and dipping fingers inside myself, I fantasised that it was actually that lovely hot redhead Liz touching me. I heard the bathroom door unlock and quickly put my damp hand above the covers. She came back into the room wearing sleek white underwear, making sure I got a good eyeful before she came over.

"Could you help me put my hair into pigtails?" she asked. I sat up and gently brushed her hair, longing to touch every other part of her as my creamy smooth pussy leaked more liquid onto her sheets. I felt my nipples standing to attention as she then moved the brush through my hair. Her hand suddenly slid onto my breast and carefully cupping it she started kissing me. Our hands darted everywhere as our mouths continued kissing full on, barely prising apart to breathe. My lips were numb; my chin wet with saliva.

Knowing about Liz's foot fetish, I told her to put on her rudest slut shoes for me. I felt like such a dirty whore, fooling around with my friend's girlfriend, but I wanted to see her looking and acting like a porn model. She

paraded around the room in her high-cut thong and dark red stilettos, tormenting me, knowing how horny I was feeling and how sexy she looked. The shoes were so high it made her firm, muscular legs look like they went on forever. Her curved arse looked absolutely perfect. Finally she came over to me, desperate for some oral attention.

Down on all fours, I was at the perfect height to tongue fuck Liz's slutcunt. I pushed her thong aside with my nose whilst I stroked and massaged her feet with my free hands. My tongue lapped and licked at the swelling lips hidden beneath her bushy, thick pussy. Her hands grabbed at my hair and she held my face in place to fuck. Grinding into my mouth, her wetness oozed onto my tongue as she jerked her hips up and down, whimpering with sheer delight. Sensing she was about to come, I pulled away from her soft, pink pussy and moved my mouth down to her feet. Completely lost in her own world of ecstasy, she made these strange, horny noises as I sucked and caressed her

“Fluid dribbled from her sopping snatch onto the floor as she came and came again.”

by one, each finger entered her. She shyly confessed that she'd never, ever touched herself in front of anyone. Dan had always wanted to see her masturbate, but it was the one thing she felt shy about. "Let's do it together. Trust me... you'll never look back," I explained. I couldn't believe it... mutual masturbation with Liz! My panties were flooding again!

As we sat opposite each other Liz followed my lead. Her delicate fingers nervously rubbed her bushy pussy as she watched me. I desperately needed something to fuck and once I'd plunged two fingers deep inside myself I started coming instantly. Watching Liz finger herself just intensified my driving orgasm.

The phone rang; it was Dan! I wanted to scream down the phone and tell him how truly fucking hot his girlfriend was... and how she definitely wasn't bi-curious anymore! But Liz just told him she was exhausted from thrashing me at tennis and really wanted to get off the phone to get to bed. What a sly, dirty bitch she could be! As she spoke to Dan she quietly took off one of her fuck-me shoes and massaged her toes around my groin. Having slipped around my wetness for a while, her toes unexpectedly plunged into my used hole and started furiously fucking me. I had to mask my squeals as she was still on the phone to Dan, but the minute she hung up I let go and came on her arched foot. By

the time we'd worked our way through many hours and orgasms absolutely everything was covered in our juices.

I hope Liz keeps our secret. And when Dan tells me about how good she is in bed, now I won't have to use my imagination because I've sucked, masturbated and fucked her myself. And if she ever did tell him, maybe it'd fuel some of his future fantasies.

Jenny, Truro

MODEL MISBEHAVIOUR

I've taken a year off fucking men. After a full-on, four man gang bang a few months ago I realised I'd done so much hardcore shagging that I needed a new challenge. So now I'm on a 12 month mission to sleep with women only. I never realised how many girls were up for female-to-female fucking. As a 23-year-old model I've never found it hard to pull good-looking men, but women have been even more eager to get into bed with me! It seems like it's quite trendy to be bi now and all I can say is I've had a bloody busy few months. Sorry guys, but you can't keep all the fit females to yourselves. And I bet you won't be able to keep your cocks in your trousers for the duration of this sordid tale of what happened to Kate, Candy and me one long night in London last week!

It was my model agency's Xmas party and every stunning girl there was dressed to perfection (you know how competitive we can be). There was no end of slinky minis and skimpy clubbing dresses. I knew this was the place to pull. My agent introduced me to Kate and after a few vodkas we went off to the toilets together.

"Was that your boyfriend?" she asked. "No, I'm young, free and single – and only available to snog women tonight," I answered confidently. Clearly that was the cue Kate needed. She led me into a cubicle and, once locked inside, caressed and kissed me like a pro. She was wearing pure white stockings

toes. Fluid dribbled from her sopping snatch onto the floor as she came and came again. Dan was right, no porn film could compete with Liz and her sensitive feet. It was the horniest thing I'd ever seen.

Liz wrapped her long legs around me as we lay down, then dug her stiletto heels into my arse as we kissed. The pleasure was painful and my poor arse was marked all over, but it was more than worth it. By now my cunthole was aching for an orgasm and I started humping Liz's ankle, desperate to rub my clit against any gorgeous part of her. My mouth gravitated back to her crotch as I fought to stay on top of her as she writhed around on the bed, flipping her pussy all over the place. I pushed some fingers inside to calm her down and keep her still. Liz gasped as, one

and suspenders, hidden underneath her short, blue tartan skirt and was really playful and eager to please. Grabbing the straps of her suspenders I pulled her pussy to mine, our silk panties moving smoothly across each other as our hips ground from side to side. By now I was so physically wound up I dipped a finger into my slippery pussy, then slid it into her mouth to give her a taste of things to come.

Before things got too saucy I asked Kate to do me a favour. I had a 'love bullet' that I wanted her to push inside me. It was remote-controlled and I told her that once it was inside me she could have the controls. She got down on her knees and licked the little silver bullet-shaped vibrator before easing it between my tidily-trimmed pussy lips and into my naturally-lubed love hole.

Once we were back in the party and mingling again, Kate drove me crazy, turning the device on every time I chatted to a good-looking girl. The anticipation of this pussy game was getting to be too much. When I eventually started talking to Candy, a striking, black-haired beauty, Kate turned the bullet in-between my thighs on to maximum. A stream of shuddering little orgasms shot straight through me whilst I desperately tried to concentrate on my conversation. I needed more between my legs and I had an idea of how to get it. By now I was quite drunk, so I invited both girls back to my flat.

In the taxi on the way home I snogged Kate. Candy seemed shocked at first, then quite intrigued, watching two gorgeous girls getting off with each other. Back at my flat Candy offered to open the wine, but Kate asked her to take control of me instead. Handing her

“I licked in big strokes, soaking her cunt and arsehole with my sticky saliva.”

Kate pushed Candy's thong aside and pulled the flesh above her clit so that her pink pussy automatically opened wide. It was completely exposed and I took full advantage, sticking some fingers inside the begging little tartlet. As I moved them faster she expanded to take every finger all the way in. I worked my mouth around the top of her snatch. I tongued her until she came in my face.

I'd been such a cunt tease to Kate that I knew I needed to turn my attentions to her. Pushing her face into Candy's crotch to finish what I'd started, I moved behind her arse and spread her cheeks wide apart. I wanted full access to her tight holes. She was so responsive to my touch. I licked in big strokes, soaking her cunt and arsehole with my sticky saliva. I had no idea who was controlling the bullet in-between my legs, but I took the opportunity to finger myself and retrieve the well-fucked foreign object. Already wet with my juices, it was just what I needed to really get Kate going. I rubbed the hot toy around her arsehole and as she relaxed I slipped it in. She moaned for more and I shoved my tongue into her snatch I felt like a voyeur watching Candy from the corner of my eye, lapping up the oral sex she was in turn getting from Kate. The two girls came with each other, before telling me that they weren't going to stop playing with me until they made me sore.

Candy blindfolded me with one of her black stockings. Together they stroked me and as I couldn't see anything I could only concentrate on how incredible it felt. I was in a state of euphoria. Girls pay so much attention to detail, every tongue flick and tickle was designed to pleasure me. I was so turned on, almost coming if I felt even the briefest breath on my pussy. I had a constant circulation of tits, lips and clits shoved in my face. I would clean out one girl's come as another sucked my cunt dry. I didn't come for ages, holding off for as long as I could. But my blindfold slipped off and I could see Candy and Kate's beautifully toned bodies playing with mine and that finally tipped me over the edge. Whoever once coined the phrase 'three's a crowd' was just plain jealous!

Tyler, London. ®

the remote

control, Kate explained what was in-between my legs. Candy slowly turned the toy on, no doubt not quite believing what was going on. My pussy muscles started responding to the familiar tingling and I moved over to her.

As I ripped Candy's dress down she thrust her chest out to be touched, flashing her gorgeous pink and black underwear in true exhibitionist style. Kate soon joined us, pulling my little black dress off, sandwiching me in-between her and Candy. The two girls' hands were all over me at once and my

basque was pulled down as my panties were nudged aside. I couldn't tell who was touching me where and I really didn't care. It felt so good. Lipstick smeared everywhere as I kissed Candy and groped her soft, round tits. When I leant down to suckle her nipples I saw Kate move onto her glistening mouth. The sensation of the vibrations in my pussy intensified as I watched them slowly, sensuously kissing. I pulled Kate down to Candy's other breast and together we simultaneously licked and flicked her nipples.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

EMERGENCY LANDING!

I had been away for nearly a month working on a building project in Dubai. The money was great but it was agony, as it meant I had left my gorgeous girlfriend, Bethany, behind. Our regular phone sex and filthy email exchanges weren't enough. Even the pictures she sent of herself legs wide open and fucking herself with a massive dildo didn't help, they just made me want to get back there more. Sex over any sort of electronic medium can never compare to the real thing, of feeling a pair of tits in your hands, or watching her face as you slide your cock into her wet pussy. So, you could say I was glad to be coming home. Bethany is the sexiest girl I have ever been out with. About 5 foot 5, with just the right amount of curves on her body, and dark straight hair that she wears long over her shoulders. She has a thick dark bush downstairs too – I love the way that she doesn't trim it too much like some girls do, so I can push my face into the thick musky hair and inhale the smell of woman.

I walked down from the plane rapt with anticipation. I knew she would be waiting, and sure enough, as I came through customs, there she was, looking stunning in a long bright coat. I rushed through and took her into

my arms, as she pressed her soft body against me. I could feel my cock start to stiffen immediately, but she began to move me away through the airport. Leaning in to me she whispered, "I'm not wearing anything under this coat, and my car is in the underground car park. Are you coming with me or not?"

We rushed to the lifts and headed down. We couldn't keep our hands off each other. The lift was quite crowded – which was lucky otherwise we would probably have fucked there and then! Entering the carpark, she pointed to the far corner where

"I moved her downwards, guiding her arse on to my ready and willing cock."

her car was. We scurried over, and Bethany unlocked the doors and climbed into the back seat. Lying on her back, she wrenched open her coat and then her legs, showing me what I had longed to see for weeks. She reached up and began to tug at my trousers, pulling them open and down as I tumbled into the car. We snogged furiously and I ran my hands over her firm tits as I felt her hand move down to my stiff cock and begin to slowly wank me before guiding it gently towards her snatch. I felt the tip nudge against her opening and could feel the heat coming from her before the heavenly feeling began to envelop me. I began to move up and down – pressing my full length into her – feeling the weeks of frustration melt away. But suddenly, and surprisingly, she pulled off me. I tried to move her back but she was determined, and moved me to a sitting position in the car seat.

She turned round and began to straddle me, but with her back to me, grabbing the headrests of the seats in front to steady herself, and began to press her arse invitingly towards my face. She held her cheeks wide apart – I knew what she wanted and I started to stick my tongue deep into her minge, lathering her up. With my fingers, I started to

take the wetness from her cunt and lube up her pouting and ready arsehole, working my finger in there to loosen her up. Once she was all lubed, I moved her downwards and guided her arse on to my ready and willing cock. With my hands on her hips, I started to poke my cock into her arsehole, lifting her up and down as she took my cock deeper and deeper in her back passage. She began to whimper with each thrust as she jerked up and down, her tight hole becoming more and more easy to

“His cock slowly filled up my back passage...”

penetrate, before finally my entire seven inches was injecting her with each thrust. Her moans got louder and louder, and the weeks of waiting got the better of me as I started to come, streaming jets of welcome spunk into her arse. She turned round, and sucked the remaining jizz off my cock, before we realised we were in a pretty public place and had better get out of there! Now that was surely worth the wait!

SPLASH BANG WALLOP!

Since we started seeing each other, my boyfriend Jack hasn't been backward in coming forward about letting me know that he's pretty keen to get his brown wings, but every time he's mentioned it I've just said something like, "Yeah, one day...". To be honest, in the beginning I didn't really fancy the idea

much, but all Jack's pleading, combined with reading your Peaches letters in the Clubs he was always 'accidentally' leaving about convinced me that it was about time I granted his wishes.

To make sure it wasn't a shock to the system, I started experimenting a couple of weeks ago when I was on my own, first using my fingers and then by gently pushing one of my (smaller!) vibes up my bum while I was masturbating.

After the initial surprise of the sensation I soon got used to the feeling of something hard buried deep inside my arse, and in fact only the second time with the vibe I found myself really

starting to enjoy it. It was that very day I decided I couldn't wait any longer before trying Jack's lovely cock out for size! Jack generally gets in from work about 6.45, so about half an hour before then I ran myself a bath, poured in a good bit of baby oil, and settled down in it. I couldn't resist playing with my pussy and bum at the thought of what would soon be happening, and when I heard the front door bang I didn't waste any time in calling him upstairs to join me. We quite often bath together, so Jack was happy enough to strip off and join me in the tub, sitting as usual behind me with his legs either side of me and his soon-to-be-stiff cock rubbing against my back and arse. Jack was soon playing with my boobs, getting the nipples even more pert and sensitive than I'd managed, and before long I knew I needed him inside me. To begin with I pushed back and up, and Jack fed his thick pole into my slippery pussy and we settled down to a nice steady fuck. I know he can last for ages like that, so I took my time, grinding down on his prick until I started to feel the first ripples of an impending

orgasm tingling through me. With that I slid off his prick. Eager to get back inside me, Jack started jabbing his cock in my direction but I took hold of it and, half turning so I could see his face, slowly began to impale my arse on it. At first he looked blank, but when it suddenly dawned on him what I was up to he grinned from ear to ear and then kissed me before lying back and closing his eyes in ecstasy. The feeling as his cock slowly filled up my back passage was incredible – way better than the smooth vibe had felt – and once I'd squeezed over his fat helmet I slid carefully down his rigid pole till I was completely full. After resting for a moment to catch my breath I put my elbows on the side of the bath and began to ride him, gasping with pleasure each time his cock filled me. Jack, meanwhile, had reached round and was rubbing my clit, driving even stronger sensations through me which, given that I'd already been pretty close to the edge, soon sent me crashing through an almighty orgasm. As I spasmed I felt my arse contract around his stiff shaft and almost immediately heard Jack groan as jet after jet of his hot spunk gushed into my quivering arse. It seemed to last for ages! It took us a few minutes to get our breaths back before I could tell him that, if he's a good boy, we'll be doing it again sometime. He promised he would be, but to be honest, I don't think I'll be able to wait too long myself!

DISCREET SERVICE

My name is Lucy. I am 28 and 5ft 7 tall with shoulder length brown hair. I am a size 12 with a large bust and long slender legs. I have been married for eight years to a much older man and have a very comfortable lifestyle which is why discretion is important. I am looking for someone to have lots of no strings fun with. I am very fit and very broadminded.

Jenny 
PHOTOS: DAZGLAM

Who sells seashells on the seashore? By the look of things, Jenny could whip up customers even on the most deserted of beaches with a rack like that.

"I did once do a vending job when I went out to Thailand for six months, and it was unusual for the stock to hang around I must say. Plus I got rather a lot of free drinks."

I bet you did; blokes must have been lining up for a chance to have a drink with Jenny. Pretty much like we are now, I would guess!

What our well-placed moles are telling us this month...

DOWN THE WIRE

CLEAN SWOOP!

We're familiar with stories of foul burglars breaking into houses, ransacking the place and even shitting on dining tables or on pillows. But how about a housebreaker that leaves things in a better state than they were in before? Susan Warren of Cleveland, Ohio, recently pleaded guilty to charges of attempted burglary after the 53-year-old broke into a house, washed the pots, took out the bins, dusted and vaccinated. She then wrote out a bill

Lord Sugar this ones a keeper!

for \$75 on a napkin with her phone number. In mitigation, Warren claimed that she ran a cleaning business and occasionally cleans homes uninvited. Now that's what we call entrepreneurial spirit!

MY-PLAYER!

In these days of Sky Plus, Tivo, iPlayer and such, there really is no need to argue over the telly.

If you can't watch it now, you can watch it

later. Clearly 25-year-old Clarence Newcomb of Kings Park, Long Island, doesn't have Tivo. He was arrested at the house he lived in with his grandmother (he's obvs a real go-getter) after she died following an argument over what TV show they were going to watch. He called the police himself at 4.35am to report that she was lying on the floor. Lt. Jack Fitzpatrick commented that he didn't know what shows were involved. Which means that was a question someone asked him. Seriously.

Countryfile was on!

INDECENT PROPOSAL!

You've probably bought some right crap on auction sites, as we have, but we can't believe we missed out on the auction for Brazilian babe Catarina Migliorini's virginity. The auction of the physical education students maidenhead rocketed from \$190,000 to a total of \$780,000. A Japanese man known only as 'Natsu' won the right to sleep with her, and the deed itself will take place in a plane flying between Australia and the US in an attempt to sidestep prostitution laws. "If you only do it once in your life then you are not a prostitute," said Migliorini, "Just like if you take one amazing photograph it does not automatically make you a photographer." Spare a thought for her male counterpart Alex Stepanov, who also auctioned his virginity (although how could you tell?). He got 3 grand.

\$3,000

I've already done this six times!

\$780,000
